

UNIVERSE RESPONDING- THE SONG

Music by Gaab

Lyrics by Valleri Crabtree

Universe Responding,  
Universe Responding,  
My Spiritual Model For Life.

Now I'm aware,  
Now I'm awake,

Now I have true insight.

Universe Responding,  
Universe Responding,  
My Spiritual Model For Life.

Now I'm aware,  
Now I'm awake,

I Listen without ceasing.

The message I hear with ease,  
I act and reach my goals,  
And I thank God for this great gift-  
My life fulfilled and whole.

Universe Responding,  
Universe Responding,  
The Universe responds to me.
